HUBBLE.

Mrs. John Underwood entertained the Ladies Aid Society at a dining Thursday.

The prosperity of this city is not doubted, and it may soon be said that all roads lead to Hubble.

A Great Sensation.

There was a big sensation in Louisville, Ind., when W. H. Brown, of that place, who was expected to die, had his life saved by Dr. King's New Discovery for Consumption. He writes: "I endured insufferable agonies from asthma, but your New Discovery gave me immediate relief and soon thereafter effected a complete cure." Similar cures of consumption, pneumonia, bronchitis and grip are numerous. It is the peerless remedy for all throat and lung troubles. Price 50c and \$1. Guaranteed by T. L. Penny, druggist. Trial bottles free.

PUTTING IT POLITELY.—The war correspondent, who had been grinding out war items, left his desk and stood before the editor of the yellow journal "I'm sorry I could concoct only two battles for to-day's issue," he apologized.
"Hub!" growled the great editor.
"Well, for that negligence I wish you would go to war."
"Ah, to the scene of actual hostilities?"
"Not so fast. What did Sherman call war?"
"He said, 'War is hell,' sir," said the correspondent.
"Well, go to war!"—New York Sun

Serious Stomach Trouble Cured.

I was troubled with a distress in my stomach, sour stomach and vomiting spells, and can truthfully say that Chamberlain's Stomach and Liver Tablets cured me.—Mrs. T. V. Williams, Laloqueburg, Mich. These tablets are guaranteed to cure every case of stomach trouble of this character. For sale by W. N. Craig.

Comfort to the sick, from bathing, is described in "Care of Invalids," issued by the Medical Department of The Mutual Life Insurance Company of New York. This book is sent on request to those who address the Home Office of the Company, Nassau, Cedar, William and Liberty Streets, New York City.

A Thoughtful Man.

M. M. Austin, of Winchester, Ind., knew what to do in the hour of need. His wife had such an unusual case of stomach and liver trouble, physicians could not help her. He thought of Dr. King's New Life Pills and she got relief at once and was finally cured. Only 50c at Penny's Drug Store.

In the Franklin circuit court the Goebel murder conspiracy cases were called and continued to the next term.

Crab Orchard.

Many of our citizens are busy gardening.

George Holmes has bought the property opposite the Baptist church of Joe Broughton for \$350.
A fairly good crowd attended the auction given for the benefit of the Christian church. Nearly \$20 was realized.
Sam King, of Lexington, and Wallace Gover spent Easter Sunday with the homefolks. Miss Katie King was at home from Loretta.
Rev. J. B. Jones has accepted a call to preach twice a month at the Baptist church and not twice a week as you unintentionally had it in my last letter.
The Misses Nell, of Woodbine, are guests of their grand mother, Mrs. Thompson. Miss Maggie Pleasant is clerking in George Harris' store. Mrs. Lewis Bell is quite ill.
Dr. J. D. Pettus and wife and Mrs. Lou Pettus, of Berea, attended the auction Saturday. Mrs. Browning was down from Livingston with her mother. Mrs. Magee Joe Brooks spent Sunday with his mother and sister. Mr. and Mrs. J. F. Cummins were here from Stanford in their handsome automobile. Some of their friends here enjoyed a spin in it.

Rev. John Pearce, a talented young student of Georgetown College, will give a musical entertainment at the Springs Hotel for the benefit of the Baptist church on the evening of the 18th. An evening of vocal and instrumental music rendered in a most charming manner is promised to all who attend. He will preach Sunday morning and evening preceding the entertainment.
Mr. Dunn, of Frankfort, was with friends here Saturday. Mrs. Carter, of Rowland, was a guest at the Gover Hotel a few days since. Mrs. Alice Newland has returned from a visit to Florida. Dr. Phillips is at home from Louisville. The many friends of Mrs. Steger are glad to see her out again after a siege with bronchial troubles. Fred Holman is the guest of Mrs. L. Pettus at Berea. In response to our suggestion that Gov. Beckham and Attorney Hays are abundantly able to take care of themselves in their controversy and that our good friend Campbell, of the Somerset Journal, should stand hands off, he says:
It is not our old friend Hays we are after, and for that matter, it is not the Executive whom we wish to help in a controversy in which he is abundantly able to take of himself. There exists a conspiracy to destroy the work of the State democratic administration. Attorney General Hays' unwarranted newspaper attack upon the governor gives just the sort of aid and comfort to the conspirators that they desire. If the loyal democratic press should cease the duty of defending the acts of the Executive and fear to line up with him against his enemies, the conspiracy may succeed, and the party may go down in a heap together. It is not a question of which of our two friends, Beckham and Hays, is right in their controversy; it is the method adopted by Hays to bring reproach upon the administration of which he is a part, and an important part, which we deprecate. It should be remembered that a fellow has "a right to wallup his own jackass" and that Napoleon B. Hays is all our own.

Robbed The Grave.

A startling incident is narrated by Jno. Oliver, of Philadelphia, as follows: "I was in an awful condition. My skin almost yellow, once sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50c; guaranteed at Penny's drug store.

George Miller, convicted over a year ago for running a faro game in Lexington, was taken to the penitentiary to begin serving his term of one year. Strong pressure was brought to bear on the governor to pardon Miller, but he declined to do so.

Last year there were 50,156 applications for patents at the patent office in Washington. Of these 29,892 were granted. The receipts of the office were \$1,500,000. The patent office is the only government bureau that is operated at a profit.

The examining trial of Bummer Spicer, charged with the murder of James Johnson in Breathitt county, was postponed until Friday.

EASY WAY TO CURE CATARRH.

Breathe Hyomei and Kill All Catarrhal Germs. "Money Back If It Fails." Says G. L. Penny.

There is no dangerous stomach drug glog when using Hyomei. The healing and aromatic balsam which compose this wonderful treatment are breathed through a neat pocket inhaler that comes with every \$1 outfit.

In this way the germ-killing and health giving Hyomei penetrates to the most remote cells of the lungs. It searches out and kills disease germs in the air passages of the head, throat and nose, soothes and heals the irritated mucous membrane and absolutely drives catarrh from the system.

Such remarkable results have followed the use of Hyomei by the best people of Stanford that Mr. Penny has the greatest confidence in its power to cure catarrh. He believes in it so thoroughly that he will give his personal guarantee to refund the money if it does not cure, the purchaser to be the sole judge.

This is an unusual offer and the first time that any medicine or treatment for the cure of catarrh has been sold in this way. If it cures, the expense is trifling; while if it fails, the cost is absolutely nothing.

If you are fortunate enough not to be troubled with catarrh, tell your friends of Mr. Penny's offer and get them to take advantage of it.

LANCASTER.

About 30 members of the Odd Fellows Lodge of this place attended the banquet given by the Richmond lodge Monday evening. They all received a hearty welcome and were treated with the same courtesy that Richmond always extends to her visitors.

The Lancaster Athletic Park will be opened Saturday, April 16, by a game of base ball between Lancaster and the D. and D. Institute of Danville. Lancaster has the strongest team it has had in years and their opponents have one of the best in the State. The park has been "skinned" and a grand stand erected, which will make it both pleasant and comfortable for the spectators.

Misses Bertha Horvitzky, Kate Hempbill and Mary Arnold have returned to Jessamine Institute. Misses Martha and Helco Gill have returned to school at Glendale. The Misses Dunn have returned to their home at Danville after a pleasant visit here. Miss Nellie Dillion has accepted a position in the Logan Dry Goods store. Miss Lizzie Hudson has been the guest of Miss Minnie Cotton at Danville.

The dance given Monday evening at the New Mason Hotel in honor of Miss Horvitzky, of Texas, and Misses Mary and Cyrena Dunn, of Danville, was a delightful affair. Those attending were Misses Bertha Horvitzky, of Texas, Mary and Cyrena Dunn, of Danville, Polly Traylor, Stanford, and — Henry, Lexington. Misses Mattie Robinson, Margaret Kinnaird, Jessie Doty, Merle Joseph, Margaret Tomlinson, Lancaster. Mevers, Andrews and Ayers, Danville; Will and Chas. Sciatic Rheumatism Cured.

"I have been subject to sciatic rheumatism for years," says E. H. Waldron, of Wilton Junction, Iowa. "My joints were stiff and gave me much pain and discomfort. My joints would crack when I straightened up. I used Chamberlain's Pain Balm and have been thoroughly cured. Have not had a pain nor ache from the old trouble for many months. It is certainly a most wonderful liniment." For sale by W. N. Craig.

The partly-burned body of Sam Jones was found under the edge of an overhanging cliff on Troublesome creek in Breathitt. Jones was last seen alive in company with Tom Benton Combs and Will Combs. Besides the body being half burned, there was a severe knife wound in the thigh. The Combs boys say that they left Jones late at night asleep near the fire, and that his death must have been accidental.

DANVILLE, KY.

Low Prices on Ladies' Tailor Suits.

We have just put on sale three lots of Ladies' Man-tailored Suits, that are, all things considered, the best values we have ever offered in our ready-to-wear department.

Most of these are single suits that we do not want to re-order on account of the backward season, and therefore we put in these lots to close out quickly.

All except the \$5 lot are entirely new suits and are all attractive in styles and colorings. Sizes are assorted from 32 to 38.

We advise an early call as you could not possibly get up these suits at the prices offered even if you did the making yourself.

\$15.00.

In this lot are 30 of the very best selling styles we have had this Spring, but only one suit of a kind. The colors and sizes are well assorted. Colors are Blacks, Navy, Browns and Mannish mixtures. The prices were \$20, \$22.50 and \$25, now choice for \$15.

\$10.00.

In this lot there are 24 suits that sold at \$15, \$17.50 and \$20. Not a bad suit in the lot. It will cost you \$10 for making alone to get a suit made as well as these are made. Blacks, Navy, Brown and Mixtures.

\$5.00.

There are only 15 suits in this lot. Of course they are not this season's suits. The cheapest suit in the lot was \$13.50 and as high as \$22.50, now choice for \$5. Come and see these; if you like them at all you can't complain of the price.

SHIRT WAISTS.

We have just opened our new line of Muslin Waists and believe you will like them. The styles are very attractive and instead of being higher than last year, we are selling better waists for the money than ever before. Prices are 75c to \$2.

We have made a big "hit" with our China silk waists at \$2, \$2.50, \$3.50 and \$4 in white and black. No use wasting your time making when you can buy them as cheap and prettier.

NEW LAWN.

We have just opened over 200 pieces new lawns at 10, 12½ and 15c a yard. You will find lawns at these prices everywhere, but not like ours. At 12½c we offer 3,000 yards Ramon Batiste, a material that has never sold under 15c. At 15c we offer 1,100 yards Tussah silk stripe lawns that were made to sell at 25c.

At 29c we offer silk Mousselines printed in Organdy designs, in white, pink, blue and pongee grounds, were 50c yard.

LADIES' HATS.

No matter whether you want to pay \$1 or \$15 for a hat we can supply the very latest and best at the price. We have over 500 hats now in stock. Phipps & Atchison and Gage Bros.' newest and best shapes from \$3 to \$14. Stylish, ready-to-wear hats at every price from \$1 to \$6. Dressy trimmed hats from \$3 to \$15. About 10 domestic and imported Pattern hats at \$7.50 to \$15.

RESOLUTIONS requesting Gov. Beckham to interfere in the case of Caleb Powers, convicted and sentenced to die for complicity in the murder of Gov. Wm. Goebel, of Kentucky, have been passed at a meeting of so-called evangelists and christian workers conducting services in Chicago under auspices of the Presbyterian church. The resolutions request Gov. Beckham to make use of the pardoning power, either setting Powers free or securing the convicted man a new trial. That the governor will turn a deaf ear to the silly request is a foregone conclusion.

ST. LOUIS has much to be proud of. Now the world's fair city, and to be the city within whose jurisdiction the next president of the United States is to be nominated. Great is St. Louis and to Kentuckians who have located there is due no little of the city's greatness.

MR. BRYAN has written an article for the Commoner this week in which he classes Parker, Cleveland, Hill, Oney and Gorman as unavailable candidates for the democratic nomination for the presidency. He is opposed to Parker because Hill is for him.

THE Casey County News has very sensibly abandoned its patent pages and is now all home print. We congratulate you on the change, Brer Thomas.

POLITICAL.

Claude M. Thomas, of Paris, has announced his candidacy for Congress. Hon. William Hepburn was re-nominated for Congress in the Eighth Iowa district without opposition.

The Ways and Means Committee has favorably reported to the House the bill for the relief of tobacco growers.

H. A. Brookings was appointed circuit court clerk of Bell to fill the unexpired term of J. G. Newles who died Monday.

Former Secretary Root will be temporary chairman and Speaker Cannon permanent chairman of the republican national convention.

The secretary of the treasury has ruled that Panama canal construction bonds may be used by national banks as a basis of circulation.

Senator Gorman's friends say there is no foundation for the report that he is to withdraw from the contest for the democratic nomination for president.

"I do not see how any one professing to be a real, intelligent democrat can hesitate to accept Mr. Parker. If he should be nominated, as a fit representative of sane and conservative democratic principles entitled to hearty and unreserved democratic support," says Grover Cleveland.

Congressman Crumpacker, of the 10th Indiana district, was re-nominated without opposition.

Republicans are in State convention in Tennessee and Oklahoma Democratic are convened in Kansas.

The republicans of this district met at Noblesville and decided to hold county conventions on April 23rd and the district convention at Noblesville the 28th to select delegates to the State convention.

The term of Judge William H. Holt, of the United States District Court of Porto Rico, expires June 1. It is said that the President will probably re-appoint Judge Holt if he desires to continue on the bench.

The case of the bondsmen of William H. Culton was continued when called in the Frankfort circuit court. Judge Hazelrigg asked until the next term of court for the bondsmen to make an effort to apprehend the fugitive.

Agents of W. R. Hearst endeavored to lease an entire hotel in St. Louis for the national democratic convention. Failing to do this they secured all the available rooms in three hotels, and Mr. Hearst's bill for room rent will be \$3,500 a day during the convention.

The democratic members of the Senate Judiciary Committee have drawn up a minority report on the bill introduced by Senator Hoar for the protection of the president. The report declares that such a law would "invade and destroy the most valued principles of republican institutions."

In the municipal election in Chicago the republicans elected 18 aldermen and the democrats 16. One independent republican was elected. The vote on municipal ownership of street railways was largely in favor of such ownership. David S. Rose, democrat, was re-elected mayor of Milwaukee. The republicans carried Kansas City, the democrats having two full tickets in the field.

The Democrat is not, among those that attempt to belittle the Hon. W. R. Hearst and ridicule his presidential aspirations. The very fact that he has made such a success in life and reversed the usual course of young men who inherit large fortunes, proves that he is no ordinary character, but a man of ability and of affairs, whom we will cheerfully support for president should he receive the nomination.—Lexington Democrat.

The republican party is utterly tired of Mr. Roosevelt and the continuous barlequinade to the White House. There are many influential republicans interested in business, who have no confidence in the judgment of Roosevelt and who regard his proposed and certain nomination with disfavor. They are afraid to trust him. They look on him as a president who is apt to upset the business interests of the country by unwise conduct, or who is liable to involve the country in war. These would contemplate the defeat of Roosevelt with cheerfulness.—Somerset Journal.

No. 1451 IV A. S. H. R.

This premium saddle and harness stallion will make the present season at Logan Hurst Farm, four miles from Danville and six miles from Stanford. Kentucky's Artist is a beautiful colt, 8 years old, with three white feet, 14 1/2 hands high, a perfect model in form, with great style and action.

Kentucky's Artist was sired by Artist Monroe, No. 51, winner of the great sweepstakes prize at the World's Fair, by Artist No. 75, he by King William 62, he by Washington Denmark, 64, by Gaines Denmark, 61, Artist Monroe, 1st dam Bailey, by Monroe, 100, tracing to Denmark f. s. and dam by Bald meadow, 62, by Tom Hat f. s.

Artist, dam Lucy, No. 50, by Brucher's Denmark, f. s. Kentucky's Artist 1st dam Julia Thomas, by Pat Denmark, he by Sumpter Denmark, and dam Lucy Thomas, by Nero, he by Thompson's Morgan, 3rd dam Cooper, by Patrick's Copper Bottom, 4th dam Dovey, by James' Whip, of Howard county, Missouri, he by Blackburn's Whip, of Kentucky.

Kentucky's Artist has shown against and defeated all the great stallions in Kentucky and Missouri, among them such horses as the \$5,000 Montgomery Chief owned by Ball Bros., the great and noted show horse, Preston, owned by Pat Bailey, and Kentucky's Artist is only 8 years old and is regarded by Kentucky's best judges to be the most perfect saddle stallion in the State. I will be glad to show him to any one at my stable and invite breeders of fine horses to come and see Kentucky's Artist before breeding. I stand him at \$50 the season or \$100 a living colt. I don't want your money until you have gotten value received.

BLUE EYES

The great little Shetland pony will make the season at \$50 to insure a living colt. We have sold his seasonlings at from \$50 to \$75 per head.

Combined Stallions.

Will make the season of 1904 at my farm one mile South of McKinney on the Mt. Salem pike at the low price of \$8 to insure a living colt. If mare is parted with insurance is forfeited and money is then due, no exception to this rule.

Description and Pedigree.—Four years old, dark bay, full 15 hands high, fine individual with best of style and action, drives and rides nicely. He was sired by Tom Covington, 1892, he by Limber Jim, standard and registered. 1st dam by General Duke, 2nd dam by Warren Harris' Denmark, 3rd dam by old Crocker.

NOTE.—Tom Covington is a combined horse with a record of 2 28 1/4, trial 2:10, his dam was by Kentucky Chief, 2nd dam Parson's Abdallah. General Duke had a record in 1878 of 2:45, he was by Embury's Lexington, by old Lexington.

Will also stand at same place and on same terms the two well known Jacks.

Jim Porter and Brignolia, Jr.

The reputation of these Jacks is fully established, especially Brignolia, Jr., he being sired by Brignolia, the celebrated Levi Hubbe Jack. They are both well broke and very reliable. Mares from a distance will be kept in any way desired at reasonable prices, with best attention, but not responsible for accidents or escapes.

PRESTON, NO. 922.

This premium saddle stallion of the world will make the season of 1904 at the stable of J. C. Bailey, on Old Lancaster Street, in Stanford, Ky.

Preston is a brown horse, 12 years old, 15 1/2 hands high, a perfect model, with great style, action and speed.

Preston was sired by Washington No. 54, he by Cromwell No. 73, 1st dam Belle by Roderick; and dam by a Denmark horse. Preston has shown against and defeated all the great show horses of Kentucky, such as Kentucky Artist, owned by J. T. Crenshaw, of Lexington, Ky., and Montgomery Chief, owned by Ball Bros. Why you should breed to Preston

1. Because he is the greatest show horse Kentucky ever produced

2. Because he is siring great show horses, such as Electra that was sold to Senator Vane for \$2,000; Rebecca, that sold at New York Exchange to George Watson for \$650; Miss Henrietta, owned by Gay Bros., that won more premiums in harness and combined rings than any three-year-old out in 1903; a yearling colt sold to J. C. Cravins, of Illinois, for \$500.

3. Because he is the only saddle stallion that ever sired a team of harness geldings that sold for \$5,000

4. Because he won the championship of the Louisville Horse Show in 1903, shown by Matt S. Cohen, of Richmond, Ky.

5. Because he has won more money in the show ring than any other saddle stallion in Kentucky.

6. I will be glad to show him to any one at my stable and invite those wishing to breed to a fine saddle stallion to see him before breeding. I will stand him at \$10 the season or \$15 to insure a living colt.

J. C. BAILEY, Stanford, Ky.

ELROD'S "up-to-date" photos are giving entire satisfaction. The quality and prices surprise all who have seen them. Six platinum jewels for 25c. Guaranteed "not to fade." Elmore Building, Stanford, Ky. Short time only.

GIVENS.—Mr. George Givens, formerly of this county, died Monday at El Paso, Texas, aged 60. For many years Mr. Givens was engaged in mining in Laurel, but went to Texas for his health. Four years ago he was married to Miss Lillie Hargis, of Kansas City, who, besides the following brothers and sisters survive him: Miss Della Givens, of Danville, Dr. Jackson Givens, of Pittsburg, Solon Givens, of Christian county, Mrs. Ida Allison, of Covington, and Mrs. A. K. Denny, of this county. The burial occurred at Danville.

ATTENTION is called to the advertisement of "The Calvert," a well equipped hotel near the World's Fair grounds, St. Louis. Miss Willie Fowler, well known here, is proprietress, and she will give her Kentucky friends who stop with her the best of attention. Splendid rooms can be secured at \$1 per day and table board can be had at restaurants and boarding houses close by. The Calvert is at 3641 Finney Avenue, on street car lines and is only a few minutes' ride both from the fair grounds and the business portion of the city.

WILL RAISE THE PRICE.—Manager H. H. Jones, of the Stanford Telephone Exchange, tells us that beginning May 1 the rate on phones will be raised to \$2.75 where county service is given, but that for those who only get town service the rate of \$2 will be continued. Some two years ago when Mr. A. H. Bastin, of Lancaster, contemplated the putting in of another exchange here, the Stanford Exchange adopted the plan of giving county service free. Unfortunately Mr. Bastin did not carry out his intentions, for had he done so the rate would very probably have never been thought of. Truly competition is the life of trade.

THE fiscal court was in session Tuesday and Wednesday. The levy was reduced from 45 to 42c but the poll tax was permitted to remain at \$1.50. Sheriff Baughman made his final settlement with G. B. Cooper, appointed commissioner for that purpose by the county court, and A. C. Dunn was elected turnpike supervisor over a field of four. The fact that he got three out of the four votes goes to show that Mr. D was largely the choice of the magistrates. The court-house, jail and poor-house were insured against fire and tornadoes and the business was divided between the following gentlemen: Paxton & Bright, J. D. Wear, R. B. Mahony, W. A. Tribble and W. O. Walker.

ON Saturday only we will sell heavy 50c Goblets at only 5c each. Farrie & Co.

PENNY's drug store has had its spring cleaning and by the aid of paint and paper it is made to look like a new place of business.

MR. W. R. DENHAM tells us that it is a mistake about his brother, Mr. Green A. Denham, of Williamsburg, buying Mr. Isaac Hamilton's farm.

THE trial of Green Ferrill for killing Burrus Smith, also colored, is set for to-day. Ferrill's wife and daughter are in jail, charged with being accessories to the killing.

DR. C. O. SCHNEIDER, the leading Ophthalmologist of Chicago, is spending a few days with Murray & McAdams, the Danville jeweler and optician. See "ad" concerning him elsewhere.

MONDAY is county court day as well as "horse show" day and a big crowd will likely be in town. Drop in to see us and give us some news, money or any other old thing that you don't need.

THE remains of Mr. George Givens did not arrive in Danville for burial yesterday as was expected. They were to have arrived last night and if they did the funeral will occur at 10:30 this morning.

INSANE.—Mrs. Jane Bullen, who killed her 18-year-old son in Rockcastle as he lay in bed in a critical condition, was declared insane at her trial at Mt. Vernon and she will be taken to the asylum.

PEARL, the little daughter of Mr. and Mrs. S. J. Embury, was burned on the hand and arm yesterday by falling into a grate. The timely presence of the little one's grand mother saved her from severe injury.

DIED OF HIS INJURIES.—Escaping water and steam from the boiler at Mr. John Traylor's distillery badly scalded Alex. Robinson, the Negro fireman, Wednesday afternoon and he died from the effects that night.

NEWS comes from St. Louis that Hon. Breckinridge Jones, who married Miss Fannie Reid, of this place, has recently purchased a \$100,000 mansion, which is one of the finest homes in that great city. Mr. Jones' wealth is said to exceed \$1,000,000.

In a letter enclosing his subscription Mr. W. J. Snodgrass, of Gordon, Kansas, says: "Love and good wishes for all my friends in old Kentucky. I hope in the near future to hear of the hanging of Fugitive Taylor, Powers, Howard and the other conspirators."

THE German Medicine Co. is still with us and will be until to-morrow, Saturday night. A first-class entertainment is given each evening and fairly good crowds are present. A splendid program will be rendered to-night and presents will be given away. You should not fail to be on hand. Saturday night is positively their last in Stanford.

PAROLED.—The Prison Commission has paroled E. K. Wilson, former county attorney of Laurel, who has served three years of a five-year-term. He was sent up in April, 1901, from the Rockcastle circuit court upon conviction for causing the death of Mary Gloyd, a domestic employed at the Catoliga Hotel at London, through a criminal operation. The killing caused quite a sensation in that section at the time. His trial for bail took place here.

LAUGHING CLUB.—County Judge Prewitt has the unique distinction of being the only known organizer of a Laughing Club. The organization has been perfected and consists of the following members: Sheriff Samuel McDowell, president; Deputy Sheriff Clarke Harbison, Constable Jake Clem and Master Commissioner Reed S. Nichols. Judge Prewitt has issued a challenge to any four men in the State who think they can out laugh this quartette of Boyle county officials. He has also offered a prize of \$50 to any four men in the county who can defeat this aggregation at the laughing game.—Advocate.
